Did you realize...

- Pilot recruiters average only 20 to 45 seconds scanning your résumé.
Does your résumé have *all* the right information in all the right places?
- Most airlines screen résumés before sending out applications, or interviewing.
Does your résumé say what it *needs* to say to get an application/interview?
- Some airlines interview from the résumé alone—UPS and Continental.
Does your résumé give a *complete* picture?
- Most airlines use a scoring system to evaluate résumés.
Do you know what *to* include and what *not* to include on your résumé?

Why should AIR, Inc. write your résumé?
